

KRAIBURG KEW Plus System

- **3-layer composition**

- creates 2.5" of lying comfort
- adjusts to every load condition

- **Proven, easy to maintain pebbled surface**

- **Soft laying area within the mats edges**

- supports the correct resting position of the cow
- improves slip-resistance

- **Rear area**

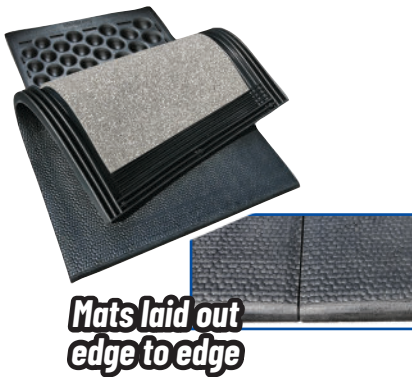

- integrated slope helps facilitate drainage to keep mats clean and dry
- sealing lips surround the foam inlay and lower mat preventing dirt and bedding from making its way underneath

- **Easy to install**
