

FreeFEED

Cattle Feeding System for Feed Alleys

- ✓ Cows lift heads for more natural chewing
- ✓ Increases feed intake
- ✓ Accommodates different size cows
- ✓ No rub marks or neck lesions
- ✓ Extends cow's reach - mounted at 10° angle
- ✓ Vertical posts control boss cows

*Standard FreeFEED color is gray/red.
Various colors available for container orders.

RELAX

Flexible Freestall System

- ✓ **Increases lying time**
- ✓ **Cows enter stall and lie down quicker**
- ✓ **Increases milk production**
- ✓ **Decreases cull rates**
- ✓ **Stalls stay cleaner due to proper positioning**

*Standard RELAX color is gray/red.
Various colors available for container orders.
